Journal
of

International Mathematical Virtual Institute

1 (2011)

General Information

Manuscripts must be in their final form and prepared in accordance with the instructions provided below. A PDF or TeX file should be sent to the manager Editor or one of the Associate Editors. After a paper has been accepted, authors may submit a TeX file of their paper in electronic form. The authors are cordially invited to submit papers online. Manuscripts submitted to this journal will be considered for publication with the understanding that the same work has not been

published and is not under consideration for publication elsewhere. The papers submitted to the journal are refereed within 3 months.

The papers are refereed in the traditional manner, with two anonymous referees. Authors will have an opportunity to make final corrections before publication.
